This course satisfies your NY State 3-Year opioid prescribers' requirement

This 3-hour program covers all the material needed towards the NY mandated Pain Management, Palliative Care and Addiction Education requirements and can be applied towards the federal 8-hour MATE act requirement. It is designed for all prescribers of controlled substances. Through literature reviews, case studies and professional experience you will understand your role in combating the current opioid epidemic.

Course Objectives

- Review state and federal requirements for prescribing controlled substances;
- Establish a pain management plan for your office;
- Utilize appropriate prescribing practices;
- Manage acute pain;
- Prevention, screening and recognizing the signs of addiction;
- Responses to abuse and addiction
- Follow the appropriate steps to avoid these violations

Marc Gottlieb, DDS

Dr. Marc M. Gottlieb was born and raised on Long Island, attended Union College in Schenectady New York and then shuffled off to Buffalo for Dental School. While attending the University at Buffalo he received many academic scholarships, awards and fellowships. After graduation from dental school Dr. Gottlieb went on to a two-year post-graduate residency program at Long Island Jewish Medical Center This unique opportunity provided advanced training in anesthesiology and all the specialties of dentistry. During his 44 year dental career was awarded 2 U.S. patents, presented over 300 continuing education programs and published over 20 dental articles. For the past 14 years he has been honored by Dentistry Today's list of top CE providers. For additional information he can be reached through his website <http://www.AnxietyFreeDental.com>
